

## **Fabrizio Tencone**

Medical Doctor, Sports Medicine Specialist

Dr. Fabrizio Tencone was born in Vercelli (Italy) on 19 August 1963.

He graduated in Medicine at the University of Turin in 1990 and specialized in Sports Medicine in 1994 with full marks with honors.

He initially carried out his professional activity in the medical-sports field, first working at the Institute of Sports Medicine of Turin and, since 1991 with Juventus FC as doctor of the youth teams.

From February 1995 to October 2002 he was the medical doctor of the first Juventus FC team and has accumulated over 400 consecutive appearances on the Juventus bench (including the Champions League final League won by Juventus in May 1996).

In November 2002 he joined the Isokinetic Medical Group and since the summer of 2003 he has been the Director of the Isokinetic Center of Turin.

He has participated, as speaker or chairman, in several national and international conferences concerning the rehabilitation and recovery of sports injuries.

From 2010 to 2016, continuing to hold the position of doctor and director of the Isokinetic center in Turin, he went back to Juventus FC and became the Head for the Medical Department of Juventus FC.

From 2015 to 2019 he was member of a panel of UEFA experts.

Since 2016 he has been teaching Traumatology and Rehabilitation of Sport at the Degree Course in physiotherapy of the University of Turin.
